

## Liturgies

There is Mass every morning before the start of the school day at 7:20 a.m. (unless school is closed or delayed for weather reasons), and the needs of the St. John's Jesuit community and the world are remembered in prayer. All faculty, staff, students, and parents are invited to attend this mass. An all-school mass is celebrated monthly.

Reconciliation services and other liturgies are offered throughout the year to celebrate and pray for our athletes, leaders, clubs, and extracurricular activities.
