

Local Service

The Christian Service program at St. John's Jesuit encourages students to seek service opportunities above and beyond what is required in Theology classes. The program works with about 30 different agencies in the Toledo area, most of which serve the most marginalized people of the community. Students may serve after school, on weekends, or may be released from school. Students sign up for a semester at a time and may sign up for all four semesters as juniors and seniors.

A mandatory part of the Christian Service program is that each student servant takes part in three group reflection sessions, which includes a written component, during the semester he serves. The Christian Service program affords St. John's Jesuit students the opportunity to take what they have learned in their required service and put it into action in a truly voluntary sense.

**Each year, SJJ
students
volunteer over
20,000 hours.**
