SCHOOL TRADEMARKS

The SCHOOL PATRON is St. John Berchmans, a Belgian Jesuit who lived in the seventeenth century. His life and beliefs as a Jesuit were featured not so much by unusual, dramatic actions as by the loving practice of fidelity to God in day to day living. John's distinctive mark of sanctity lay in his appreciation of and participation in the ordinary aspects of life. He is an ideal patron, as John demonstrates that one does not have to be a star to be outstanding. Being faithful to work, being willing to involve oneself in activities, being available for others -- accomplishing all this without great fanfare is a very real way to success.

The SCHOOL SEAL is a modification of the coat of arms of the Loyola family -- the family of the founder of the Jesuits, St. Ignatius Loyola. In the 15th century the Loyola knights were identified by a coat of arms consisting of two shields. The one shield depicts a cauldron suspended by a chain between two wolves. The wolves, plentiful in the Basque hills of Spain, mark the family as Basques. The cauldron is a symbol of hospitality -- a home which welcomes all. The bands on the opposite shield stand for the Loyola brothers who fought against the invading French in 1321.

The SCHOOL COLORS are Blue and Gold and are hailed in both school songs: the Alma Mater and the Fight Song. Symbolically, the blue represents filial piety and the gold stands for integrity. Ideally, these virtues of devotion and uprightness will be evidenced in every loyal member of the St. John's Jesuit Community.

Fight Song

All Hail! Titans,
Proud and Strong
Fight On and Victory Will Come Your Way.
To You We Raise Our Song.
You've Got the Spirit to Win the Day
So Let's See Those Colors Bright,
Roll On You Titans, So Brave and Bold,
Fight, Team, With All Your Might ...
For St. John's Blue and Gold.

Alma Mater

Hail to You, O St. John's High
Cherished Moments Never Die
True to You We'll Always Be
Our Hearts Filled With Loyalty.
Praise, All Ye Titans,
Her Glory Proud and Bold,
Guide Us Onward Alma Mater
Hail the Blue and Gold.

The SCHOOL TEAM SYMBOL is the Titan selected by the first class of the new St. John's. The Titans, often called the Elder Gods, were of enormous size and of incredible strength. The twelve Titans, who were the personifications of the powers found in nature, were supreme in the universe. By figurative application, the Titan refers to a strong, powerful person or group struggling through the restraints of physical attributes to attain goals, integrity and good for all.

GUIDANCE COUNSELING

School counseling is an important component of a student's education at St. John's Jesuit High School and Academy. All students meet with their counselor, individually or in small groups, at least once each quarter for academic, personal/social, and college/career development. Other departmental programming includes support groups, a Big Brother mentorship program, book clubs, Red Ribbon week celebration, and other curriculum based on students' needs.

ACADEMIC POLICIES

In extraordinary circumstances the principal may approve adjustments in the accomplishment of requirements.

Students will not be permitted to drop or add a class after the class has been session for **two** weeks.

In 8th Grade, students must successfully complete the "Eighth Grade Project" which has as one component a formal research paper. This project will serve as second semester exam grades for English, Social Studies, and Theology.

A failure for the Second Semester in one core course (English, Math, Science, Social Studies, Theology) will require the course be successfully completed prior to entering the next grade in the Academy. Failure of two or more core courses for the Second Semester may prohibit advancement to the next grade in the Academy.

An 8th grade student who has not fulfilled the graduation requirements will not receive his diploma until he makes up his academic deficiency.

St. John's Jesuit Academy Personal Integrity Statement

As a Jesuit institution, our goal is to develop men for others, students who manifest the qualities stated in the Grad at Grad Document: Intellectually Competent, Open to Growth, Loving, Religious, and Committed to Doing Justice. St. John's Jesuit endeavors to develop Christian Leaders, young men of honor and integrity who treat themselves and others with respect. We expect students to develop a commitment to learning and a mature attitude towards academics.

Young men of character will

- **seek knowledge as well as achievement, realizing that learning continues beyond the class period or the school day**
- **realize that the process of learning is more important than the grade**
- **develop critical thinking skills**
- **earn their grades honestly through study, reading, and research**
- **expect honesty and integrity from their classmates and teachers**

We wish to foster an environment of enthusiastic learners, and thus academic dishonesty cannot be tolerated.

- (1) A conditional failure can only be given at the end of the first semester in a full year course. This grade of "F+" can be removed with a second semester grade of at least a "D" in that subject. Failure to obtain this grade of "D" means that the student fails the subject for the year.
- (2) An incomplete may be assigned because of missed or incomplete assignments due to sickness or a similar emergency. Such a grade deficiency should be made up within three weeks. Incompletes not made up after the three-week period will be recorded as a failure. The Academy Principal may extend incomplete grades due to extraordinary circumstances.

REPORT CARDS

The first and third quarter grades are progress grades in that they do not appear on the permanent transcript. The first and second semester grades are the grades of record. Report cards are accessed on PowerSchool and paper copies are not mailed home.

HOMEWORK

From two to three hours of study should be spent outside of class for the proper preparation of each day's lessons and exercises. Homework ordinarily consists of both written and study assignments. Students have been known to be tempted to neglect reading and study assignments once the written work is completed. Parents who are solicitous for their son's progress will see that he faithfully does his homework. Students making poor grades should spend an additional amount of time to remedy their difficulties. There are no school nights when a student does not have homework in preparation for the next day's classes.

ACADEMIC DISMISSAL

It is the policy of the school to ask a student who has three quarters of failure in one year, or a total of five quarters of failure over seven semesters, to leave St. John's Jesuit. Although this policy is generally applied, the principal may permit exceptions for sufficient reasons.

A+ PROGRAM

The A+ program supports every student in the high school and academy to reach his full potential. Students are encouraged to take responsibility for their own learning in a supportive, welcoming environment with a multitude of resources including small group and individual tutoring services, technological aides, study groups, review sessions, practice tests, academic counseling, and psychological testing. The A+ Learning Center is open to all students before school, during school and after school.

ATHLETICS

Philosophy

St. John's Jesuit believes it is of great importance that its students have an opportunity to respond to the challenge of physical competition in the form of athletics. Furthermore, St. John's Jesuit believes that it is most beneficial to promote athletic participation by all students. Therefore, we encourage young men to participate in a variety of sports, not limiting themselves to one or even two. The thrust of our athletic program is to promote activity by all students in as many sports as they can participate in without overextending themselves.

A second premise of the St. John's Jesuit athletic program is that while winning is a desirable outcome of a game, it should not be the sole reason for playing an athletic contest. An integral part of our program is the enhancement of personal growth. We feel that many of our students have untapped physical and mental resources, and that through participation in sports, many are better able to realize their potential and therefore become better men. The St. John's Jesuit coaches concern, then, is that young men may grow into stronger, more fulfilled students.

Related to the goal of personal development is the idea that athletics can and should promote results which are not necessarily directly associated with athletics. That is, we hope that our young men learn self-discipline, the importance of teamwork, and group responsibility. Coaches try to maximize opportunities that offer a young man a chance to use his athletic experience to develop attitudes and work habits which can be applied to life in general.

Because St. John's Jesuit is a Catholic school, by design its athletic program should promote Christian values within the competitive endeavor. These values, a reflection of God's creation, include moral integrity, positive leadership, and a personal respect and concern for one's teammates and coaches. These are derived not only from the nature of sports, but, in the St. John's Jesuit context, are a vital part of the Christian environment and the individual athlete's response to God's call to be his best self, a follower of Christ.

Hence, the essence of the athletic program at St. John's Jesuit is aimed at a person-centered approach. We are intensely interested in the development of young men not merely as athletes, but also as young men who will become good citizens in our community. Through participation in sports with the guidance of a coach, our young men should grow into well-rounded individuals who can accept challenge, understand the importance of fair, clean play, and maintain their objectivity in victory or defeat.

While the above is the ideal, we acknowledge that at times we will not measure up to our standards. These times, however, can be growth experiences for coaches and students. By using this experience, the coaches and players can develop into constantly maturing men who respond to the daily challenges of life in a positive and productive manner.

Academic Eligibility

Academic eligibility is based on quarter grades, not semester grades.

The minimum grade point average that must be maintained for students participating in Academy sports is set at 1.50 with no more than one failure for the previous grading period (QUARTER grades). For fall athletes, the determining grading period is the FOURTH QUARTER of the previous school year. Ineligible students who correct their failures and regain their eligibility are eligible to play on the fifth day of the new grading period. Retaking classes during the summer does not negate the first quarter ineligibility.

St. John's Jesuit retains the right each year to develop a more restrictive athletic eligibility policy than the OHSAA requires. Any changes in policy will be stated in the Bulletin of Information and published each August. A detailed explanation of OHSAA rules and regulations exists in their annual handbook and can be inspected by any student or parent. St. John's Jesuit must abide by all OHSAA regulations.

RELIGIOUS ORIENTATION

St. John's Jesuit High School and Academy, a Roman Catholic institution operated by the members of the Society of Jesus, educates students to understand and witness to the gospel of Jesus Christ. All students study theology for a full year. In various ways, the theology courses require Christian service of students. All students must also attend a retreat each year.

Participation at the Eucharist and in community prayer are essential to the formation of St. John's students. In the course of the school year, students will attend at least five all-community liturgies. In addition, each month the school gathers for a service focused on a scripture reading and the prayer intentions of students and faculty members. All are also welcome at the Eucharist celebrated at 7:45 a.m. During Advent and Lent, students are given the opportunity to take part in the sacrament of reconciliation at a communal penance service.

HEALTH SERVICES

One full time nurse is responsible for student health services. In the absence of a school nurse, students with emergency needs or those who take regularly scheduled medications should report to the Principal's Office.

A student entering St. John's Jesuit High School & Academy must submit written proof that he meets the immunization requirements of the State of Ohio. Failure to provide this information will result in exclusion from classes.

Generally, St. John's Jesuit discourages the use of medication at school. Over-the-counter medications should be taken at home, with the exception of acetaminophen, e.g. Tylenol. Parental permission is listed on the Emergency Medical Form. **Prescription medicine** may be administered in the health office with parental and physician permission. For health and safety reasons, students are NOT

allowed to carry medications, vitamins, supplements, etc. in book bags. Students are to bring ALL medications to the health office to verify proper usage and administration. All medication must be in a pharmacy-labeled container. **No medication will be given after 3 p.m.**

ALL POLICIES FOR HEALTH SERVICES AND ALL REQUIRED HEALTH FORMS ARE AVAILABLE ON THE ST. JOHN'S JESUIT WEBSITE UNDER THE 'PARENT' TAB.

DISCIPLINE GUIDELINES

SPECIAL NOTICE TO PARENTS OR GUARDIANS

Please read this handbook carefully. Your son should read and observe the guidelines presented here. His registration at St. John's Jesuit Academy is to be considered equivalent to a statement, on his part and on the part of his parents or guardians, of willingness to comply with all of its regulations. Parents are encouraged to contact the office of the Academy Dean of Discipline for disciplinary issues, the office of the Academy Counselor for academic issues, the Principal's Office, one of your son's teachers, or his counselor to ask questions-whether they pertain to academic development or disciplinary matters. The staff of St. John's Jesuit Academy is willing to help in any way it can with the development of our students.

Philosophy

The general norm of good behavior of a student at St. John's Jesuit is to act in a reasonable and respectable manner toward both teachers and fellow students. He is to act in accordance with Catholic morals and principles at all times. To aid in this effort, a minimum number of general guidelines have been set down. Discipline in the school is not only directed toward order but principally toward helping you grow as an individual. You will be challenged to use the freedom you are given in a responsible manner. The school will attempt to give you more responsibility as you demonstrate an ability to use it wisely. When occasional lapses occur, you will be asked to reflect on them and ways you might use to avoid future lapses.

Since St. John's Jesuit is the school of your choice, parents and students alike should recognize that registration by a student is considered an agreement to accept and comply with these guidelines as a norm of conduct. Students represent St. John's Jesuit both on and off campus and are responsible for their actions in both places.

The school administration reserves the right to forbid a parent to have contact with any faculty, staff member, or coach if he or she has exhibited a history of offensive or abusive behavior towards any employees of St. John's Jesuit Academy. Moreover, the administration may prohibit their presence at school events or on the school campus as deemed necessary. The administration shall be the sole determiner of what constitutes "abusive" or "offensive" behavior.

I. Policy Questions and / or Concerns:

If any staff member has questions concerning this policy, he or she is encouraged to contact the Catholic Schools Office at 419.244.6711.

School Policy - Student to Student Conflict - Harassment, Intimidation,

Intentional acts to physically or emotionally harm others are strictly prohibited. These acts may occur in person, in writing or through multimedia devices on or off of school property. Such acts should be reported to the Principal or to the student's counselor. Confidentiality is often critical in dealing with such sensitive matters. Initially, a meeting will be held between the student and their counselor, where a proper plan of action will be developed. This plan will attempt to resolve the matter. To prevent further incidents, educational meetings may be held with others involved and the discussions that take place may be documented by the counselor. The Associate Principal will be notified of repeat offenses or severe offenses, such as acts of physical harm. Patterns of harassment, intimidation, or bullying may result in disciplinary action including but not limited to suspension or expulsion.

Attendance

Absences: Students are expected to be present each day for every period. If a student must be absent, a parent or guardian is required, by law, to inform the Academy Principal's Office. The safety of our students is of utmost concern. If notification of an absence is not received by 9:00 a.m., an attempt will be made to contact the parent or guardian. Failure to provide proper notification of an absence before 9:00 a.m. on the day of the absence may result in an unexcused absence.

If an absence remains unverified, a note stating the reason for the absence, the date of the absence, with a parent or guardian signature is required upon the students return to school. Failure to present this note may result in disciplinary action. Students must be present for at least half of their classes if they wish to attend or participate in any extracurricular activities.

Excused Absences:

- 1) Student Illness (if absent for 3 or more days, a written statement from medical professional is required upon return)
- 2) Illness in the family necessitating the presence of the student.
- 3) Quarantine of the home
- 4) Death of a relative

Excused Absences Requiring Prior Approval:

- 1) Medical or dental appointment (written statement from medical professional required)
- 2) Observance of religious holidays
- 3) College visitation
- 4) Other events deemed by the Principal to be of educational or developmental value

An excused absence entitles the student to make up tests, homework, etc. at the convenience of the teacher.

Absences for reasons not listed as excused will be deemed unexcused. An unexcused absence forfeits the student's right to makeup tests, homework, etc. at the discretion of the teacher.

Excessive absences for any reason create a hardship for the student involved. Any student who misses in excess of eight classes in a single semester, whether the absences are excused or unexcused, may lose credit on the dates of additional absences. The student may be placed on attendance probation, which will specify the terms for continued enrollment.

Lateness: Students are expected to be in their classrooms, including the Homeroom/1st Period, on time. Students not in their classroom by 7:56 a.m. must obtain a late pass from the Academy Principal's Office. To accommodate for the unavoidable occasions lateness, three lates are permitted per semester. Subsequent lates, regardless of reason, will be deemed unexcused and will result in disciplinary action.

Early Releases: Students are not permitted to leave the school building without properly notifying the Academy Principal's Office. If a student needs to leave early, a note from his parents is needed to excuse him. He will receive a class release slip indicating the time of departure and will be allowed to leave class at that time.

Vacations: St. John's Jesuit High School and Academy strongly discourages the scheduling of vacations or family trips during class time. Approval for vacations will never be given when these days fall on semester or final exam days, or within ten days of the end of the school year. If a vacation absolutely has to be scheduled during class time and exceeds one day, the parents must contact the Academy Principal at least one week beforehand before approval will be given. Vacation days will count against the allotted absences allowed (See Attendance Policy). A student must continue to do class work during the vacation, and he will be required to take all quizzes and tests that he missed within three days of his return to school. All the work to be done must be prearranged with each individual teacher and completed within three days of his return. This is the sole responsibility of the student involved and he must fill out the assignment form which can be obtained in the Academy Principal's Office. All of these arrangements must also be confirmed with the Academy Principal.

Attendance Probation: Students that continue to have an ongoing number of absences or morning lates may be placed on attendance probation. Students that are placed on attendance probation will meet with the Associate Principal to arrange a probationary contract and set up an action plan. If the student fails to fulfill the requirements of his probationary period, or if he fails to demonstrate a drastic improvement in this attendance may face dismissal.

Transportation

Bus Regulations:

Bus drivers are in charge of their buses and riders. Unreasonable conduct on buses by any student can result in forfeiture of the right to ride. Students should carry their bus passes at all times.

DRESS CODE 2017-18

Our mission at SJJJ is to develop Christian leaders. A student's reasonable and respectable appearance is his personal responsibility. The dress code is in effect in the school building on all school days from the beginning of morning prayer until the end of eighth period. Students are expected to adhere to the spirit of the dress code, not just the letter. Slovenly appearance, even in dress code, is unacceptable. Some of the norms of reasonableness are:

1. Titan Card: Students must carry their SJJJ student ID at all times. The ID must be from the current school session year.

IDs are allowed to be worn on the SJJJ approved lanyard. No other lanyards are allowed.

2. Shirt: A white or blue button down shirt must be worn. Shirts must remain tucked in completely at all times, including while seated. Lettering from undershirts may not show through the dress shirt. Knit sport shirts, flannel shirts, rugby shirts and some printed shirts are not considered dress shirts and are not acceptable attire. In addition, turtleneck shirts and shirts with banded collars are not allowed. Students may not wear long-sleeve shirts or thermal underwear under a short sleeve dress shirt.

3. Tie: Grade specific ties are to be worn every day. Ties should be of conventional length and style, and worn up high enough to cover the top button.

4. Pants: Conventional khaki dress pants, in good repair must be worn and properly fitted at the waist. This excludes all jeans, of any color, cargo pants, painter's pants, or any pants with huge pockets on the front or sides, drawstring pants, pants with piping or stripes down the side and army fatigues, or any pants with rivets or hammer loops. Pants with excessively frayed bottoms are not allowed.

5. Belt: Dress belts must be worn. Belts should be leather in look. Ornate decorations or large buckles will not be allowed.

6. Shoes: Shoes must be conventional black or brown dress shoes that are leather or leather in look. Shoes must have a back and the sole must be BLACK or BROWN (No white soled boat shoes). Sports shoes, work boots, hiking or athletic boots, canvas shoes, sandals, moccasins, slippers, and clogs of any color are unacceptable. SPORTS SHOES AND BOOTS MAY BE WORN TO SCHOOL, BUT STUDENTS MUST CHANGE INTO REGULAR SHOES BEFORE HOMEROOM. Shoes must remain in good repair and socks must be worn.

7. Hair: Students must keep hair, including facial hair, neatly groomed. Hair should be neat, clean, properly combed, of modest proportionate length, thickness, and style. The following is not considered acceptable: streaked, grooved, lined, shaved patterns/numbers/words, partially shaved hair, or hair of such length that it extends beyond the top of the collar or in some way obscures a student's face. Extremes in style are to be avoided. If a student dyes his hair, it is to be of only one traditional color.

8. Winter Wear: During the winter months, students are encouraged to wear sweaters (cardigan, turtleneck, v-neck, or crew-neck). Half/quarter zip sweaters are not permitted. Fleece coats are not allowed to be worn during the school day with the exception of the school approved Academy fleece coat that is available in the bookstore. A dress shirt and tie must be worn underneath all permitted sweaters and sweatshirts.

9. Hats: No hats or caps of any kind are to be worn in the school building. Hats must be removed upon entering the school building and be placed in the student's locker until the end of the school day.

10. Jewelry and Accessories: Jewelry is not to be excessive. Earrings of any kind are not allowed, whether they are covered up or not. A single bracelet may be worn on each wrist. No head phones are to be worn during school. Head phones brought to school must be either in locker or backpack out of sight until school is dismissed.

12. Dress Down: During dress down days students must either remain in standard dress code or wear a professionally printed SJJA shirt with jeans, or dress pants. Tennis shoes are allowed instead of the usual dress shoes. Students cannot wear flip flops, sandals, sweatpants, track pants, or any other pants other than jeans or dress pants. In warmer months the AP may allow students to wear shorts. Dress down days during spirit weeks will follow the pre-approved theme of the day.

Items not covered in the dress code should be considered unacceptable. Violations of the dress code will result in a Dress Code Violation (DCV). First and second DCVs will result in writing the dress code. A third violation in the same quarter will result in a JUG.

ACADEMY COMMONS RULES

1. No food or drink in commons.
2. Respectful behavior for fellow students and the property in the commons.
3. All games and trash are to be picked up before students leave the Academy Commons. The Academy Commons are a privilege. That means if these rules are not met on a daily basis individual students can be punished or the Academy Commons can be locked, and the privilege will be removed.

ELECTRONICS AND MISCELLANEOUS

1. Cell phones and music players should not be visible or heard during the school day. Students violating this policy will have their device submitted to the Academy Principal's office where it will be held until the end of the day. The first offense will require the student to serve a JUG. Any subsequent offense will require a parent to pick up the device and a 3 hour JUG.
2. Misuse of iPads is doing anything on the iPad during class time that the teacher has not instructed you to do. NO GAMES WILL BE PLAYED DURING SCHOOL HOURS. Anytime a student is caught playing a game or caught with a game in his history between 7:56 a.m. and 3:08 p.m. the student's iPad will be confiscated. The confiscation of the student's iPad will result in a 3 hour JUG.

Any pictures taken of any student and posted on a social media website without the permission of the individual during school hours will result in a 3 hour JUG. Water is the only substance allowed in the water bottles. No sports drinks, pop/soda, or other beverages are allowed. Water bottles cannot exceed 24 ounces in size.
5. Food and beverages are permitted in the Carty Fox Commons only.

Disciplinary Procedures

While discipline usually denotes correction or punishment, properly understood it refers to self-control, or to ordering one's activities toward a particular goal. Discipline at SJJA involves a student's fundamental acceptance of the school's philosophy and values, as well as proper behavior according to its rules. Most enforcement of SJJA's philosophy and values is done within the classroom; however, some situations require the involvement of the Academy Associate Principal or Principal.

Justice Under God (JUG)

JUGs may be assigned by the Academy Associate Principal, or by instructors.

JUGs assigned by the Associate Principal are served before school and after school on Wednesdays unless otherwise announced. JUGs may be assigned as half hour, one hour, and 3 hour. Students should be prepared to complete a predetermined writing assignment during their JUG. 3 hour JUGs will be served on scheduled Saturday mornings at 8:00 a.m. 3 hour JUGs require a \$10 fee to cover the cost of the prefect.

Morning JUGs will begin promptly at 7:20 a.m. in Mr. Malone's room. Half hour long JUGs will be dismissed at 7:50 a.m. After school JUGs will be served from 3:15 p.m. until 3:45 p.m. Any written penalty not completed in the half hour must be completed at home. If a student is more than 5 minutes late a 3 hour JUG will be assigned unless the student has a note.

JUGs are to be served at the next JUG day after offense is reported. These JUGs are not scheduled at the convenience of the student. Missing JUGs for any reason other than excused absence from school will result in a doubling of the consequence. Instructor JUGs, if served with the instructor, may be assigned for any day and any duration up to two hours. Instructors may also refer JUGs to the AP.

3 hour JUGs will be served on Saturday morning at 8:00 a.m. There is also a \$10 fee for a 3 hour JUG to cover the cost of the prefect.

If a student receives 3 JUGs in a quarter the student may be given additional consequences including the possibility of being put on disciplinary probation. After the quarter ends the student will be reviewed to see if he will be removed from probation. Disciplinary probation means the student could be held out of field trips, class trips, and school related extracurricular activities. If a student is held out of any kind of trip then the student must report to school the day of the trip to serve an in school suspension.

Suspension, and/or expulsion may be incurred for any action that compromises the reputation of St. John's Jesuit High School and Academy. Students should remember that at all times they are responsible to uphold the good name of St. John's Jesuit High School and Academy. A student involved in off-campus conduct prejudicial to the reputation of the school is liable to severe disciplinary action.

Serious disciplinary situations that may merit suspension or dismissal include the following:

1. Illegal use, possession, or distribution of drugs, look alike drugs, or alcohol, or the intentional misuse of other goods such as, but not limited to, over the counter medication, either on campus, at school-related events, or in an off-campus activity that is brought to the attention of the AP through;
 - a. a faculty member or other adult in a supervisory role for the school
 - b. an officer of the legal system
 - c. a police report
 - d. a public record such as print or broadcast media
 - e. an admission by the student when confronted with information by the school administration
2. Possession of any kind of a weapon on campus or at any school-related event.
3. Gang membership or related activity.
4. Fighting (either on or off the St. John's campus) and/or the direct or indirect encouragement of a fight.
5. Destruction of property, vandalism, theft, and receiving of stolen property.
6. Possession or use of tobacco products at school or extracurricular events.
7. Insubordination or gross disrespect.

8. Possession or use of fireworks.
9. False activation of a fire alarm, bomb threats and arson.
10. Intentional misuse, tampering, destruction of computers and/or computer hardware.
11. Tampering in any way with the vending machines or phones.
12. Engaging in card games, dice, gambling or other related games of chance.
13. Vandalism or unauthorized visitation or loitering at another school.
14. Cheating or plagiarism of any type. The student will receive an automatic zero, Integrity Violation, and possible expulsion. Students may be placed on disciplinary probation based upon integrity violations.
15. Harassment or hazing of another member of the St. John's Jesuit community.
16. Immoral behavior and/or conduct that is detrimental to the St. John's Jesuit High School and Academy community's reputation.

In addition to the above situations, repeated violations of minor rules will result in serious disciplinary action. Students with five or more violations within a semester may be placed on disciplinary probation at the discretion of the Academy Principal.

Expulsions

Students who face the possibility of expulsion will receive a formal letter from the Academy Principal. This letter will include a brief description of the actions that are at issue in the current matter; however, this should not be interpreted as being the only concerns that may be addressed by the Academy Principal at the expulsion meeting. This letter will be sent by certified mail or express mail to the parents or legal guardians of the student.

Suspensions

Suspensions will be served as extra time at school. Students will be assigned a Saturday from 8:00 a.m. until 2:00 p.m. and will incur a cost of \$25. Out of school suspensions will be served at the student's home. Students issued out of school suspensions are able to make up their academic work that they missed. Either type of suspension will require that the student not be able to participate in any extracurricular activities during the suspension period.

Disciplinary Probation

Students that receive a significant number of conduct violations in the course of a semester, or ten or more conduct violations within an academic school year may be placed on disciplinary probation. Students that have serious violations, such as but not limited to fighting, cheating, stealing, substance possession and/or use, etc., may also be placed on disciplinary probation at the discretion of the Academy Principal.

Students placed on disciplinary probation will meet with the Academy Principal to set up a behavioral contract. The student's contract and behavior will be reviewed after each quarter where one of three actions will take place. One, the student may be expelled from the school based on his inability to change his behavior for the better. Two, the student may continue to stay on probation for one more semester if some progress has been made, but not enough progress has been demonstrated to remove the student from probation. Three, upon demonstrating profound improvement in the student's conduct, he may be removed from probation and admitted as a student in normal standing. Students that refuse to complete disciplinary contracts will be asked to leave SJJA.

Integrity Violations

While integrity violations often include cheating and plagiarism, the scope of this process extends beyond these narrow instances. The Principal may issue additional penalties, such as 3-hour JUGs or suspensions. Students that receive more than one integrity violation during the academic year will be placed on disciplinary probation, and his teachers will be notified of his offenses.

Students that are found to have committed a major integrity violation (cheating, contributing to cheating, forgery, etc...) will be subject to the actions outlined here;

Integrity violations will cover the duration of the student's career at St. John's Jesuit Academy.

Hazing

At St. John's Jesuit High School and Academy, "hazing" is strictly prohibited. Any student who is proven to be involved in hazing another student will be dealt with severely, up to and including possible expulsion.

Hazing is defined as any act used to initiate a person into school or any organization that causes or creates a substantial risk of mental or physical harm. The administration strongly feels that organizations within the school should engage in team-building activities of a positive nature. Becoming part of a great tradition should be a positive and rewarding experience free of any painful or demeaning requirements. Any reports of hazing should be reported immediately to the Associate Principal and/or the Athletic Director.

Parent Concerns and Appeals

Sometimes parents encounter a problem over conflicts with interpretation of school policies or with actions by school personnel. In these situations, parents should follow a step-by-step process for attempting to resolve the conflict. If a parent has a problem with a teacher they should always meet with the teacher first. If satisfaction is not received, the parent should then contact either the counselor, Academy Associate Principal, or Athletic Director depending on the area of concern. Only after these avenues have been exhausted and the situation remains unresolved, the parent should make an appointment to meet with the Principal, who will make the final decision.

Appeals: Appeals of decisions by either of the Associate Principal or the Athletic Director should be directed to the Principal, only after parents have taken the other steps. School officials work hard to address parental concerns. In extreme cases where the resolution process does not seem to be working, the school reserves the right to require that the parent withdraw from the process.

St. John's Jesuit Academy Social Media Policy

Social Media is rapidly expanding part of our society. This technology is in heavy use by the youth including our students here in the Academy. Social media can be used for good and its possibilities are endless, but social media can also be used as a distraction in the classroom, and as a tool for bullying. It is important to talk with your sons about responsible use of social media and to make sure you are monitoring their use of social media websites. Many students do not realize that what they put on the internet is there permanently and could damage their reputation or the reputation of St. John's Jesuit.

Social Media use is strictly prohibited on school grounds. If a student is caught using social media at school the electronic device being used to access the website will be confiscated. Students will be disciplined if he is caught during school hours or if an incident is brought to the school's attention by another school's administrators or through public media. If you as a parent see inappropriate use of social media by another student we ask that you contact that student's parents to notify them of their son's indiscretion, and if needed St. John's Jesuit will handle the matter from a counseling perspective.

It is important that students understand that taking pictures of or recording of any student, teacher, or faculty member without their permission is against school policy and also is illegal. Posting any videos or pictures on the internet of any student, teacher, or faculty member is against school policy and also illegal. If a student is caught doing this it will result in suspension or expulsion.

St. John's Jesuit High School and Academy Dance Policy

SJJA dances are created for the social benefit of our students. They provide a chance for SJJA students to enjoy themselves, meet others, and safely enjoy their extracurricular time. The safety of SJJA students and the respect for others as conveyed by Men for Others, are the two primary concerns for SJJA dances. The following contains rules and regulations that SJJA students and their guests must abide by at all SJJA dances.

Guest Policy

SJJA encourages its students to invite guests to dances. Attendees must be junior high age, and they must present current, valid, Catholic school photo identifications to enter SJJA dances. Students without current, valid, school photo ID's will not be admitted to the dance. Students from schools other than local Catholic elementary and middle Schools are required to present a guest dance permission form. SJJA students are allowed to sponsor one non-Catholic school guest per dance. They are responsible for submitting the completed dance guest permission form to the Academy Principal's Office no later than the Wednesday prior to the dance. Dance guest permission forms will not be accepted the day of the dance. The Academy Principal has the final say in the approval of a dance guest permission form.

Dress Code

All students attending SJJA dances should be respectful of themselves and others in their behavior and dress attire. Dance moderators have the final say in the approval of student dress. Any attire that is deemed unacceptable by the dance moderators will require the student to either change his/her clothes to an appropriate outfit or to leave the dance.

Dance Etiquette

SJJA students are to demonstrate behavior that is becoming of Ignatian values and demonstrates being a

Man for Others. Female guests must be treated as young ladies and deserve the full respect of SJJJ students. Dances are not a place for students to fight with their dates or to break up.

Inappropriate dancing will not be tolerated. Moderators will monitor the dancing to make sure that it is acceptable. Certain dance moves, including but not limited to slam dancing, mosh pits, body surfing, grinding, will not be tolerated. Students may be warned once before being told to leave the dance. Behavior that is overly disrespectful or dangerous may warrant additional penalties beyond being removed from the dance.

Security

For the safety of our students the use and possession of alcohol, tobacco, drugs and other illicit substances is forbidden. Violators will face penalties as described in the SJJJ Student Bulletin of Information.

No limos or other chauffeured vehicles are allowed for SJJJ dances. Students arriving in such vehicles will not be allowed into the dance and their parents will be contacted.

All SJJJ dances will have 10 or more chaperones. All SJJJ dances will have a Toledo Police officer on site for security. SJJJ is not responsible for missing or stolen items.

ADMISSION POLICIES

St. John's Jesuit High School and Academy accepts and admits students of any race, color, or ethnic origin to all rights, privileges, programs and activities. In addition, the school will not discriminate on the basis of race, color or ethnic origin in the administration of its educational programs and athletics/extra-curricular activities. In addition, the school is not intended to be an alternative to court or administrative agency ordered, or public school district initiated, desegregation.

AIDS POLICY

At St. John's Jesuit High School and Academy students, whether enrolled or seeking enrollment, with Acquired Immune Deficiency Syndrome (AIDS), or who test HIV Positive shall be permitted to attend school in a regular classroom setting provided that the student meet specified conditions as determined by school health officials and school administrators.

GANG POLICY

Any student who participates in gang-related activity, including wearing or displaying gang symbols, will be suspended and may face expulsion. Students who refer themselves to the administration for help will be provided an opportunity that encourages wellness and reconciliation with family, school and others. In these cases, the final decision regarding any school sanctions rests with school administration.

SAFE SCHOOLS ACT

The possession of any type of firearms, weapons, dangerous or illegal objects on the school campus or at school-sponsored activities is grounds for immediate expulsion. Talk about the violent use of such weapons by a student is grounds for immediate suspension and possible expulsion.

The Safe Schools Act of 1997 states that: “whoever unlawfully assaults, strikes, threatens or menaces” any employee or student of any school shall be guilty of a misdemeanor of the first degree. Furthermore, “whoever disrupts, disturbs or interferes with any activity” conducted in a school or a school-sponsored activity shall be guilty of a misdemeanor of the first degree.

St. John's Jesuit High School and Academy provides the safest possible environment for the formational experience of our students. As such school officials have the right, indeed the responsibility, to search school property—including lockers—and personal property—including book bags, backpacks, and clothes—if reasonable suspicion exists.

SUBSTANCE ABUSE POLICY

(See Addendum 1 for detailed substance testing procedures, consequences, and terms/definitions.)

By attending St. John's Jesuit High School and Academy, each student has committed to a 12-month drug/alcohol abuse contract. Any violation of the substance abuse policy during the course of the year will result in disciplinary action from the school. Furthermore, any violation of the drug, alcohol, tobacco or any other substances policy will cover the duration of a student’s career at St. John’s Jesuit, whether the career is four or seven years.

St. John’s Jesuit High School and Academy provides a program based upon the needs and concerns of our community. It acknowledges that a program, in order to prevent abuse, must have elements addressing both education and assistance within its structure. St. John's Jesuit High School and Academy commits to providing assistance in the form of drug education, counseling services, support, and treatment to those who request it. Both the education and the assistance portions of the policy have the same objective: to help our students make healthy decisions.

Random substance testing by hair analysis is included in the assistance program for all students grades 8-12. The possibility of being tested provides a tool to counter the peer pressures associated with illegal drugs, giving an ‘out’ when St. John’s Jesuit students are experiencing these pressures. This tool also provides parents/guardians the opportunity to reinforce their own message of maintaining a safe and healthy life style.

St. John's Jesuit High School and Academy commits to assisting those in need and enforcing the consequences to those who either violate our rules or fail to comply with the assistance phase of the program.

Students are further cautioned to refrain from any activities outside the school that may reflect negatively on the school. Physical presence in a situation at which alcohol or other drugs are being illegally or illicitly used or possessed by minors or unauthorized parties may be grounds for disciplinary action. Students should be aware how easily this type of situation can degenerate into a serious violation.

Students are encouraged not to support these situations but rather to use positive peer pressure to host and attend group activities without use of alcohol or other drugs.

Self-Referral

Information received from students and or parents who voluntarily seek help from school authorities concerning the student's illegal or illicit substance use will be maintained in confidence and will not serve as a basis for disciplinary action. The student's counselor will be notified and will meet with the student to determine the specific needs involved. All recommendations of the counselor must be adhered to, including the possible requirement to meet with a drug prevention specialist and/or submit to substance testing. Self-referrals do not provide immunity from disciplinary action should students continue to use, possess, or distribute controlled or other illicit substances. A self-referral must occur before being discovered to be using or possessing such substances by school or law enforcement officials.

Random Testing

All students, grades 8-12, are subject to random drug testing by hair analysis. The standard 5-panel substance test detects use of cocaine, opiates, phencyclidine, amphetamines, and marijuana. Alcohol detection is also available at an additional cost and will be utilized on a random basis. Students who test positive for illegal or illicit drug usage will be provided individualized assistance for their substance usage. Rooted in *cura personalis*, a first offense of the substance testing policy is not punitive. Focus is placed on partnering with parents/guardians to guide their son toward a healthy and safe way of life. A meeting will be held with the Associate Principal to discuss probationary terms to ensure compliance towards a healthier life style.

In addition to random testing of grades 8-12, any student may be tested for reasonable suspicion as determined by the Academy Principal or the Associate Principal. In the case of reasonable suspicion of drug use, St. John's Jesuit High School and Academy will require drug testing by an independent, third party testing agency within 18 hours of the AP's request. St. John's Jesuit High School and Academy will use Occupational Care Consultants for reasonable suspicion substance tests.

All students, grades 8-12, must be able to provide a hair sample, ½ inch in length, from either their head, legs, or arms unless a medical condition prevents it. Refusal to submit to a substance test, whether random or for reasonable suspicion, shall be considered a substance abuse policy violation. Additional tests from other agencies or doctors will not replace the rulings from the first test as required by St. John's Jesuit High School and Academy. A failure to release any test results to St. John's Jesuit High School and Academy will be considered a violation of the substance abuse policy.

A breathalyzer may also be used by the Academy Principal or the Associate Principal at random or when reasonable suspicion for alcohol exists at school or a school related activity.

Substance Violation

A student may not possess, sell, distribute, furnish, pass or be under the influence of any illegal and/or illicit substance at any event, including but not limited to athletic, academic, cultural, or social activity associated with St. John's Jesuit High School, or in an off campus setting. Students found to have done the above will be suspended for a minimum of three days and may be expelled from St. John's Jesuit High School and Academy. If the offender is permitted to continue enrollment, a meeting will be held with the Associate Principal to review probationary terms, including a mandatory extracurricular suspension.

Tobacco

Smoking, or the use or possession of any tobacco products is not allowed in school or at any school-related events including but not limited to retreats. Students who are caught either using or in possession of said products will have a choice of consequences: they may serve an out-of-school suspension, or attend a smoking clinic directed by one of the local hospitals. Tobacco use or possession is a violation of the acceptable use policy as it pertains to extracurricular participation.
